

Expression of Interest to bring Mooditj to your community July - December 2020

Thank you for your interest in bringing the Mooditj Program for Aboriginal young people and Mooditj Leader Training to your community. For more information about Mooditj and Leader Training, see the attached flyer.

Please complete this Expression of Interest (EOI) with as much information as you can. We need to know if there is enough community support to work together to bring Mooditj to the community or region. You will need to talk with other key people and organisations – or pass this on to someone who can do this.

Dates by negotiation.
Completed EOI must be received by SHQ at least 10 weeks prior to dates requested.

If you wish to talk about this EOI or the Mooditj Program, please contact Robyn Wansbrough on 08 9227 6177 or ed@shq.org.au

5. Costs and funding support

The WA Department of Health provides some funding to support rural MLT. **SHQ aims to give regional participants a discounted registration fee of \$330** (incl. GST). This assumes the training venue and catering (or equivalent) can be provided by local organisations. If a contribution to travel or accommodation expenses can also be made, this fee can be reduced further. We do not want price to be a barrier, either to individuals or communities, and are happy to discuss particular situations.

Please consider carefully what you and your partner organisations could contribute towards the training and enter below.

6. Venue: Where could this Mooditj Leader Training be held?

A main training room large enough for up to 20 people to sit comfortably and move around to work in small groups is required. A second break out room is needed so that the group can split into male and female groups.

7. Dates: When are the best dates for this training?
