

# 1 crumb prepared

Make sure you're always sweet for condoms and dams to help prevent STIs. Condoms can also help prevent pregnancy.

# Can we avo cuddle?

Consent comes first – even when you're on a roll.  
Communicate with your partner/s and check in regularly.

I've got that fuzzy feeling  
I peel good too

Everyone deserves that fuzzy feeling.  
Make pleasure a priority for you and your partner/s.

# Bean tested?

Regular STI testing goes hand in hand with being sexually active. Speak to your GP or sexual health clinic for a simple health check.
