

IUD Theory Training – 2021

SHQ (Sexual Health Quarters)

To prepare for the theory course, participants will be provided with pre-reading and a pre activity.

What will be covered in the theory session?

- current information about available IUDs and managing problems
- practice insertions (in pelvic models)

Where: SHQ - Lecture Theatre, (upstairs)
70 Roe St (cnr Lake St), Northbridge

When: Wednesday 9 June, 1 September, Tuesday 30 November 2021

Time: 6.30pm – 9.30pm
(Supper available at 6.00pm - latecomers will not be admitted)

Cost: \$396.00 inc GST

If you want to become competent to insert IUDs in clinical practice, an additional clinical component will be needed. At least 7-10 supervised insertions are recommended.

Option 1

Clinical supervision may be provided in your own practice if you have a competent IUD inserter to supervise you. You will not receive an SHQ IUD Certificate of Competency in this scenario.

Option 2

An IUD clinical attachment may be undertaken through SHQ Clinical Services. Those achieving all competencies will be provided with a certificate of competency.

You would be eligible to do the supervised clinical attachment at SHQ (Option 2) if you have:

- At least 12 months full time general practice or equivalent OR
- At least 6 months gynaecology experience AND
- You will be able to insert IUD's in your practice immediately after completing the supervised clinical attachment at SHQ, AND
- You satisfactorily complete the IUD Clinic Application Form

**Doctors must have their own medical indemnity insurance to attend clinical training at SHQ.*
