

EXAMPLE Primary School RSE Program 2025 - Parent Survey

EXAMPLE Primary School will be delivering our RSE program for Year 5&6 students in Term 3. To assist us with tailoring the sessions to our students, please take this short survey to tell us what you think should be included in a program about growing up. Your responses will be anonymous.

1. I would like the following topics to be included in the program:

- ☐ Puberty
- ☐ Boys' and girls' bodies
- ☐ Periods
- ☐ How a pregnancy starts
- ☐ Friendship skills
- ☐ Diversity and respect
- ☐ Help-seeking behaviours
- ☐ Responding to peer pressure
- ☐ Gender stereotypes
- ☐ Being respectful online
- ☐ Consent
- ☐ Is there anything else about relationships, bodies or growing up that you would like to see included in the program?

2. Any other comments?
